MESSAGE FROM MRS FORD, HEADTEACHER

Dear Parents/Carers

I am very conscious you have been asked to donate to a variety of worthy causes recently, with further events/activities planned. I am mindful that some families will be experiencing financial difficulties due to the rising cost of living, and am also aware we are fast approaching Christmas, which also has financial implications for you all. Please be assured your continued generosity is very much appreciated by the staff at Stepgates and, of course, the children. Without your assistance the children would not be able to participate in the many wonderful activities we are able to provide at Stepgates.

Thank you to all parents/carers who attended our Parent-Teacher Consultation Meetings which were held this week and very well attended. If you were not able to meet your child's class teacher please contact them to arrange an appointment as soon as possible. These meetings are a valued opportunity for you to celebrate your child's achievements and support their learning.

We are busy making plans for Christmas and I am delighted that all children will, once again, have an opportunity to watch a pantomime in school this year. The children will enjoy their Christmas lunch, followed by a performance of Cinderella.

HARVEST FESTIVAL REMINDER

All parents/carers are warmly invited to attend our Harvest Festival Celebrations at St Peter's Church, Chertsey, on Tuesday 18th October 2022 at 10:00am.

STAFFING

I am delighted to extend a warm welcome to a new member of staff, Sarah Scott, who has joined us this term as a Nursery Keyworker. I am sure she will soon feel part of the Stepgates team.

I am sad to announce that Mrs Steptoe (Higher Level Teaching Assistant), who has been on maternity leave, will be leaving the Stepgates team to spend time with her family.

Mrs Kemp, our Finance Assistant, will also be leaving us this week, having been part of the Stepgates team since 2002. Whilst we are very sad to be losing Mrs Kemp, we are delighted that she has secured a new, very exciting, role nearer to home. I am also very pleased that I will still have the opportunity to work closely with her as she will remain as Clerk to the Governors.

Both are highly valued members of staff and will be greatly missed by staff and children. We wish them both well for the future.

UNIFORM REMINDER

I have seen an increasing number of children wearing trainers/boots in school and would like to remind parents/carers that all children should be wearing **BLACK SCHOOL SHOES** - no heels, trainers or boots are allowed. However, if you are experiencing difficulties, please contact your child's class teacher.

PARENT QUESTIONNAIRES

Thank you to all parents who have completed and returned their questionnaire; I am delighted to say these have been very positive. Thank you! If you have not yet returned the questionnaire, it is not too late. Your feedback is always valued.

CHRISTMAS CARDS

All of our children across the school have been busy creating their own unique Christmas card designs. The project, run by Class Fundraising.co.uk, will be printing their designs and parents/carers will be able to order a range of products after half term. This project enables the school to raise additional funds for Art resources at Stepgates.

IMPORTANT INFORMATION FOR PARENTS

If you are sending your child in with a packed lunch containing grapes, please read the following carefully

Did you know whole grapes are a dangerous choking hazard for babies, toddlers and young children?

Grapes can be a healthy treat for young children, but they're also the third most common cause of death among children who die in food-related choking incidents.

Due to the size, shape and texture of grapes they can be hazardous for small children, whose airways can get blocked when they try to swallow them. Unfortunately, a lack of awareness of this danger has led to severe choking and even deaths in youngsters as the usual first aid procedures are less likely to work.

To prevent any problems, slice grapes in half - or ideally quarters - lengthways. Cutting them this way makes them thinner so they're able to pass through small windpipes more easily. Grapes cut in half along the width can still get lodged in children's throats so this should be avoided at all times.
