

SUNBEAMS NURSERY

At Sunbeams our vision for all Children is:
Playing today, while learning for tomorrow

Sunbeams is the maintained nursery class at Stepgates Community School. We offer 30 hour funded places spread Monday - Friday 9:00am - 3:00pm. Our 15 hours places are allocated on the 2.5 day model; either Monday, Tuesday full days (9:00am - 3:00pm) with Wednesday mornings (9:00am - 12:00pm) or Wednesday afternoons (12:30pm - 3:30pm) with full days on Thursday and Friday (9:00am - 3:00pm).

We take children from 2½ years of age; however, we are able to offer spaces for FEET funded children from 2 years of age. The 2 - 2½ year old places are limited, and offered as either morning (9:00am - 12:00pm) or afternoon sessions (12:30pm - 3:30pm). We provide a setting where children are happy and learn through play, supported by experienced caring staff. We pride ourselves on our excellent relationships with parents. The Key Workers liaise daily to inform parents what their child is enjoying, progress made and next steps in their development.

Our last Ofsted Inspection as a maintained nursery was in June 2023, and we were awarded GOOD.

Please visit www.ofsted.gov.uk to see the full inspection report.
