English:

British Council

www.britishcouncil.org/school-resources/find

Resources for English language learning

Teach your Monster to read

www.teachyourmonstertoread.co.uk

Phonics games/support - free to use on PC, can be bought as an app for Apple and Android

Once Upon a Picture

<https://www.onceuponapicture.co.uk/>

Images and questions which can be used to stimulate discussion and develop vocabulary, as a prompt for creative writing or a reading comprehension activity with a mix of literal, inference, deduction and prediction questions.

Literacy Shed

<https://www.literacyshed.com/home.html>

A variety of different 'shed' which provide both video and pictorial prompts as a stimulus for independent writing and related activities.

Pobble

<http://www.pobble365.com/>

One picture, one teaching resource - the activities on this website include further examples of images and questions which can be used to stimulate discussion and develop vocabulary, as a prompt for creative writing or a reading comprehension activity with a mix of literal, inference, deduction and prediction questions.

Maths:

Maths games

<https://www.topmarks.co.uk/>

Prodigy Maths

www.prodigygame.com

Is in U.S. grades, but good for UK Primary age.

Sumdog (is also an app which can be installed on tablets and smart phones)

sumdog.com/

Educational online maths games (has an option to get the whole suite (spelling and grammar with the maths) free for a month if the school is closed)

General:

Khan Academy

www.khanacademy.org

Especially good for maths and computing for all ages but other subjects at Secondary level. Note this uses the U.S. grade system but it's mostly common material.

BBC Learning

<https://www.bbc.co.uk/bitesize>

Excellent for all areas of the curriculum ages from 3 to 11

www.bbc.co.uk/learning/coursesearch/

This site is old and no longer updated and yet there's so much still available, from language learning to BBC Bitesize for revision. No TV licence required except for content on BBC iPlayer.

Futurelearn

www.futurelearn.com

Free to access 100s of courses, only pay to upgrade if you need a certificate in your name (own account from age 14+ but younger learners can use a parent account).

Blockly

blockly.games

Learn computer programming skills - fun and free.

Scratch

scratch.mit.edu/explore/projects/games/

Creative computer programming

Ted Ed

ed.ted.com

All sorts of engaging educational videos

National Geographic Kids

www.natgeokids.com/uk/

Activities and quizzes for younger kids.

Duolingo

www.duolingo.com

Learn languages for free. Web or app.

Science
<https://www.stem.org.uk/primary-science>
Resources are organised into topic area and year group and include many opportunities for working scientifically. They provide tips for teachers, highlight common misconceptions and offer further suggestions for use in class.

<https://explorify.wellcome.ac.uk/>
Excellent website to stimulate conversation

Oddizzi
<https://www.oddizzi.com>
Children have their own logins from year 3 up.
A great information resource for geography has quizzes that the children can compete with their class mates on.

Applications which can be downloaded onto home technologies; please note, some elements of these packages may require a subscription payment:

Lightbox hour (computing app for smart phones and tablets)
Mekorama (computing app for smart phones and tablets)
A.L.E.X. (computing app for smart phones and tablets)
All 3 are problem solving, computational thinking apps
